EXPERIENCE

Website Development Intern | Mervanix Private Limited **Oct 2025 – Dec 2025**

- Designed and developed responsive, cross-browser web pages using HTML5, CSS3, and JavaScript, ensuring compatibility across desktop, tablet, and mobile devices.
- Enhanced UI layouts and website usability through responsive design practices, clean and maintainable code, and effective collaboration within a structured team-based development environment.
- Assisted in implementing and improving web interface components based on project requirements.

PROJECT

Digital Marketing Campaign Management System

Final Year Project | MySQL, HTML5, CSS3, JavaScript, Bootstrap

- Developed a web-based system to manage digital marketing campaigns and leads in a centralized platform.
- Designed a responsive and user-friendly dashboard for monitoring campaign and lead information.
- Implemented admin authentication and session-based access control for secure system usage.
- Created a structured interface for organizing campaign data and tracking marketing activities.
